About Donations - Financial & Transfer Procedure

Please follow the instructions underneath when making a donation. Feel free to visit the website <https://ukraine.efpp.org/donations/> or contact us at info@efpp.org at any time if you have any questions and we will be happy to help.

HOW TO:

The money/financial transfers should be made on the basis of a SWIFT protocol, including the relevant IBAN numbers, preferably from a bank rather than from a computer. It has been agreed that the donor organisation should contact the Chairman of the Ukrainian Organisation UAPP Konstantyn Siguta when the transfer is made. Please write an email to Konstantin Siguta sigutak@gmail.com with the following information included:

- a) Name of the donor
- b) The date of the transfer
- c) The SWIFT protocol
- d) The amount of the donation sent

This will allow the bank in Ukraine to track the transaction and remedy any potential complications.

The Ukrainians give their heartfelt thanks to the EFPP Members and donor organisations who have offered their financial support so far and expressed their sincere gratitude to the EFPP for organising the much needed assistance. On the HELP UKRAINE website please find more information on the financial situation in Members Letters & Statements

We thank you for your engagement and cooperation
